

Spend a Day IN THE COUNTRY!

Plan a day trip full of rural heritage.

Here are a few tips to help make your day trip more enjoyable...

- Please supervise children and promote respect for property, plants and animals while visiting the stops.
- Please leave your pets at home.
- Remember to bring your camera!
- Several locations have products for sale, so don't forget the cooler with ice.
- Parking is available at each site, but please be aware that terrain may create some physical challenges.

Frontier Agricultural Connections is an agri-experience network and not responsible for samples offered at any stop. All attendees are responsible for their own health and safety. Kansas law prohibits wine samples from being offered before noon on Sunday. Those sites will be open for visitors at 10 a.m. on Sunday but will not offer samples prior to noon.

NOTICE: In order to protect animal health, if you have traveled from a foreign country within nine days prior to this event, please refrain from participating this year.
